Avoiding the spread of the SARS-CoV-2 virus is a global challenge. Here, quick contact tracking has proven to be an efficient means. You can support that by already providing the following information voluntarily now, in the event of a positive test in the next few days:

Name:

Date of birth:

Citizenship:

ID number:

Place and country of departure:

Flight, train or bus number(s) and/or ship name(s):

Place of entry, date of entry and time of entry:

Stay in the last 14 days in the following countries (please specify the travel period and the exact locations):

Stay in Austria for the next 14 days (address):

Availability (phone number, email address):

The data provided will be transmitted to the health authorities of the federal state in which you are staying for the next 14 days and will be destroyed after 14 days.

If you have any questions about the use of data and data protection, please contact the data protection officer of the federal state in which you are located.
